Item 5.02 Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.

In March 2009, the nominating and governance committee of the board of directors of Lattice Semiconductor Corporation (the “Company”) determined that Daniel S. Hauer, a current Class II director, would not be nominated for re-election to the board of directors. In order to provide for an equal apportionment of the Company’s directors among the three classes of its classified board, Bruno Guilmar, a current Class I director, will resign as a Class I director and be appointed by the board of directors as a Class II director, with both the resignation and re-appointment to be effective immediately prior to the commencement of the annual meeting. Mr. Guilmar, 48, will then stand for election as a Class II director at the annual meeting. Immediately prior to the annual meeting, the board of directors intends to reduce the authorized number of directors from seven to six.

No changes will be made to Mr. Guilmar’s employment arrangements with the Company in connection with his resignation and re-appointment to the board of directors.
