The following letter was circulated to Lattice Semiconductor Corporation employees on November 8th, 2016 to clarify treatment of certain RSUs upon the closing of the previously announced proposed acquisition by Canyon Bridge Capital Partners, LLC:

Re: Clarification: RSUs and Options

Team,

We have received a number of questions regarding how RSUs and Stock Options will vest and be treated in connection with our potential acquisition by Canyon Bridge Capital Partners.

First, a little background: at the time your RSUs were granted, the boards of Lattice or Silicon Image determined the treatment of your RSUs if there is a change of control, based on the terms of the stock plan that governs your award. The Silicon Image plans and award agreements were carried over when Lattice acquired Silicon Image and still apply. Please review your individual award agreement and the applicable stock plan for your RSUs for the terms of your RSUs.

With that in mind, RSUs with standard terms will be treated in the acquisition pursuant to the merger agreement as summarized below:

- RSUs granted under the Silicon Image plan and form of award agreement do **not** automatically accelerate upon a change of control in which Lattice is no longer a publicly traded company. Therefore, each unvested RSU granted under the Silicon Image plans will be converted into a right to receive \$8.30 per unit, with the cash amount earned and paid **as the RSUs would normally vest**, subject to your continuing employment through each vesting date. In other words, RSUs granted under the legacy Silicon Image plan terms will convert into a cash payout over time as they vest, and you will receive the full \$8.30 per unit only if you remain employed over the vesting period through all vesting dates for your RSUs. If any RSUs granted under the Silicon Image plan become vested at or prior to the closing of the acquisition, they will be settled in shares and cashed out at \$8.30 per share (subject to applicable withholding taxes), with the cash amount paid within a few days after the closing of the acquisition.
- RSUs granted under the Lattice plans and form of RSU award agreements automatically accelerate upon a change of control as a result of which Lattice is no longer a publicly traded company. Therefore, RSUs granted under the Lattice plans will accelerate and be cashed out at \$8.30 per share (subject to applicable withholding taxes), with the cash amount paid at the closing of the acquisition. All RSUs granted after the Silicon Image / Lattice acquisition were granted under the Lattice plans.

Below is a summary of how RSUs and Stock Options with standard terms will be treated in the acquisition:

		Silicon Image Plans	
	Unvested	Vested (in the money)	Vested (out of the money)
Options	At each vesting date after closing, cashed out at \$8.30 per share less the exercise price, subject to continued service at the vesting date.	At closing, cashed out at \$8.30 per share less the exercise price	Cancelled
RSUs	Outstanding at Closing At each vesting date after closing, cashed out at \$8.30 per unit, subject to continued service at the vesting date.	Vested Prior to Closing Settled in shares and cashed out at \$8.30 per unit, with the cash amount paid at closing	
		Lattice 1996 & 2013 Plans	
	Unvested	Vested (in the money)	Vested (out of the money)
Options	At each vesting date after closing, cashed out at \$8.30 per share less the exercise price, subject to continued service at the vesting date	At closing, cashed out at \$8.30 per share less the exercise price.	Cancelled
RSUs	Outstanding at Closing At closing, fully accelerated vesting and cashed out at \$8.30 per unit.	Vested Prior to Closing Settled in shares and cashed out at \$8.30 per unit, with the cash amount paid at closing	

Because this letter is a summary, it does not contain all of the information that may be important to you. To the extent any provision of this letter is inconsistent with the terms of the plan, your award agreement, or the merger agreement, the merger agreement will control the treatment of your award.
