

## Lattice Semiconductor Named a Juniper Networks 2017 Top Account Support Supplier of the Year

August 22, 2018

*Coveted Award Underscores Lattice's Excellence in Customer Support*

PORTLAND, Ore.--(BUSINESS WIRE)--Aug. 22, 2018-- [Lattice Semiconductor Corporation](#) (NASDAQ: LSCC), a leading provider of customizable smart connectivity solutions, today announced that it has received a prestigious Juniper Networks Top Supplier award for 2017. Lattice was named a Juniper Networks Top Account Support Supplier of the Year for its collaboration in problem solving and effectiveness in providing and engaging support for Juniper at all levels.

Lattice has been partnering with Juniper Networks for over 15 years. As a leading industry supplier of smart connectivity solutions enabled by low power, small size, production-priced FPGA products, Lattice provides support services to its customers to address a broad range of business and technical issues ranging from technical support, procurement, and delivery, to pricing strategies.

"Lattice is proud to partner with Juniper Networks, supporting their full spectrum of supplier customer service needs," said Dan Schaffer, Director of Sales for Global Strategic Accounts, Lattice Semiconductor. "Juniper is widely recognized as a vendor of the highest quality, and we thank them for spotlighting the value of our partnership and the support services we provide – services that help all of our customers enable the future."

### **About Lattice Semiconductor**

Lattice Semiconductor (NASDAQ: LSCC) is a leader in smart connectivity solutions at the network edge, where the "things" of IoT live. Our low power FPGA and video ASSP products deliver edge intelligence, edge connectivity, and control solutions to the consumer, communications, industrial, computing, and automotive markets. Our unwavering commitment to our global customers enables them to accelerate their innovation, creating an ever better and more connected world.
