

Lattice Wins 2024 SEAL Sustainable Product Award

May 7, 2024

HILLSBORO, Ore.--(BUSINESS WIRE)--May 7, 2024-- [Lattice Semiconductor](#) (NASDAQ: LSCC), the low power programmable leader, today announced that its Lattice Avant™ FPGA platform was selected as a [2024 SEAL Award winner](#). Lattice Avant was recognized in the Sustainable Product category for its leadership power efficiency, performance, and small form factor.

"Sustainability is a key focus area for Lattice and we are honored to receive this recognition for our Lattice Avant FPGA platform, which continues to extend our low power FPGA leadership across diverse markets like Communications, Computing, Industrial, and Automotive," said Esam Elashmawi, Chief Strategy and Marketing Officer, Lattice. "As we rapidly expand our product portfolio, we look forward to helping our customers innovate and achieve their design goals."

"Integration and Impact are the watchwords of the 2024 SEAL Sustainability Awards. This year, we've seen an impressive synthesis of technology, design, and innovation combined to drive sustainable impact," commented Matt Harney, Chairperson and Founder of SEAL Awards. "Alongside the critical need for organizations to dedicate real investment and human capital into ESG, the holistic approach of these award winners is imperative to keep driving progress."
