

Lattice Wins 2024 Global Semiconductor Alliance Award

December 6, 2024

– Named Most Respected Public Semiconductor Company Achieving \$500 Million to \$1 Billion in Annual Sales –

HILLSBORO, Ore.--(BUSINESS WIRE)--Dec. 6, 2024-- [Lattice Semiconductor](#) (NASDAQ: LSCC), the low power programmable leader, today announced that it was selected as 'Most Respected Public Semiconductor Company' at the [2024 Global Semiconductor Alliance \(GSA\) Awards](#). The GSA awards recognize companies that have demonstrated excellence through their vision, innovation, execution, and future opportunity, as determined by votes from GSA members.

"On behalf of the entire team at Lattice, I am honored to accept this prestigious award from the GSA. I am incredibly proud to lead such a talented and dedicated group of individuals who continuously strive to innovate and exceed our customers' expectations. This achievement would not have been possible without the support of our customers and partners. Thank you for being an essential part of our journey," said Ford Tamer, Chief Executive Officer, Lattice Semiconductor.

"The GSA congratulates Lattice Semiconductor on winning the 2024 Most Respected Public Semiconductor Company Award in its category," said Jodi Shelton, GSA CEO and co-founder. "The GSA Awards honor companies showcasing unparalleled excellence through their contributions to the industry, and we look forward to the innovation that Lattice will continue to accelerate."

The annual GSA Awards celebrate the accomplishments of the semiconductor industry and honor the best performing companies and top leaders. Members of the GSA represent 70 percent of the \$550B+ semiconductor industry.

About Lattice Semiconductor

Lattice Semiconductor (NASDAQ: LSCC) is the low power programmable leader. We solve customer problems across the network, from the Edge to the Cloud, in the growing Communications, Computing, Industrial, Automotive, and Consumer markets. Our technology, long-standing relationships, and commitment to world-class support let our customers quickly and easily unleash their innovation to create a smart, secure, and connected world.
