

Lattice Wins 2025 Top Workplaces for Technology Industry Award

July 16, 2025

HILLSBORO, Ore.--(BUSINESS WIRE)--Jul. 16, 2025-- [Lattice Semiconductor](#) (NASDAQ: LSCC), the low power programmable leader, today announced that it was named a 2025 Top Workplace in the Technology Industry. Lattice was recognized for a building people-first workplace culture based on direct feedback from a research-backed employee engagement survey.

"At Lattice, we're focused on delivering low power, programmable innovation that enables our customers and partners to build smarter, more efficient systems," said Ford Tamer, Chief Executive Officer at Lattice. "This recognition as a Top Workplace in the Technology Industry reflects our employees' commitment and passion to fostering a high-performance, growth-oriented culture."

The Top Workplaces program has a 19-year history of surveying and celebrating people-first organizations nationally and across 60 regional markets. Over 42,000 organizations were invited to participate in the Top Workplaces survey. Companies recognized by the program are chosen based solely on employee feedback gathered through an employee engagement survey, issued by Energage.
