Lattice Semiconductor Announces $250 Million Stock Repurchase Program Authorization

December 5, 2025

HILLSBORO, Ore.--(BUSINESS WIRE)--Dec. 5, 2025-- Lattice Semiconductor Corporation (Nasdaq: LSCC), the low power programmable leader, today announced that its Board of Directors authorized the Company to repurchase up to $250 million of its outstanding common stock.

Lorenzo Flores, Chief Financial Officer, said, “Our strong financial position allows us to return capital to shareholders while continuing to make investments to strengthen our market leadership in Small and Mid-Range FPGAs and drive our Companion Chip strategy.”

The repurchase program is effective immediately. Under the program, Lattice may purchase shares of its common stock through open market and privately negotiated transactions at prices deemed appropriate by management. The timing and amount of repurchase transactions under this program will depend on market conditions, share price, corporate and regulatory considerations, and other factors. The Company intends to conduct the program in compliance with Rule 10b-18 of the Securities Exchange Act of 1934, as amended. The repurchase program has no termination date and may be suspended or discontinued by the Company at any time without prior notice.
