

Lattice Semiconductor to Present at Jefferies 2014 Global Technology, Media & Telecom Conference

March 31, 2014

HILLSBORO, OR -- (Marketwired) -- 03/31/14 -- Lattice Semiconductor Corporation (NASDAQ: LSCC) today announced that it is scheduled to present at the Jefferies 2014 Global Technology, Media and Telecom Conference on Thursday, May 8th in Miami, Florida. During the conference, Darin G. Billerbeck, President and Chief Executive Officer, and Joe Bedewi, Corporate Vice President and Chief Financial Officer, will be presenting.

The presentation is scheduled for 10:30 a.m. Eastern Time and will be available through a listen only webcast, which can be accessed through Lattice's investor relations website at www.lsc.com. Presentation materials will be available on the investor relations section of the Company's website at www.lsc.com.

About Lattice Semiconductor:

Lattice Semiconductor (NASDAQ: LSCC) is the world's leading provider of ultra-low-power programmable IC solutions for makers of smartphones, mobile handheld devices, small-cell networking equipment, industrial control, automotive infotainment, and much more. With more than 1 billion units sold over the past 10 years, Lattice ships more FPGAs, CPLDs and Power Management solutions than any other programmable solutions vendor.
