Item 8.01. Other Events.

Lattice Semiconductor Corporation (“Lattice”) and Canyon Bridge Fund I, LP (“Canyon Bridge”) have jointly withdrawn and re-filed their joint voluntary notice to the Committee on Foreign Investment in the United States (“CFIUS”) under the Defense Production Act of 1950, as amended, to allow more time for review and discussion with CFIUS in connection with the proposed merger (the “Merger”) between Lattice and an indirect wholly-owned subsidiary of Canyon Bridge. The Merger was approved by the holders of approximately 77.83% of Lattice’s shares of common stock on February 28, 2017.

Lattice and Canyon Bridge previously filed a joint voluntary notice with CFIUS under the Defense Production Act of 1950, as amended. CFIUS accepted that notice for review, which commenced an initial 30-day review period. The 30-day review was followed by a 45-day investigation period. Before and during the review and investigation, Lattice and Canyon Bridge have been actively engaged with CFIUS. Pursuant to CFIUS regulations, after the re-filing is accepted, a second 30-day review period will commence. At the end of that 30-day period, CFIUS will determine whether it will proceed with a second 45-day investigation period.

Lattice and Canyon Bridge remain fully committed to the Merger and plan to continue to actively engage in further discussions with CFIUS during its review, and to allowing Lattice’s stockholders to realize the value offered by the proposed transaction. There can be no assurances, however, that CFIUS will ultimately agree that the parties may proceed with the transaction, or, if a recommendation to prohibit or suspend the Merger is made, as to whether the President will decide to prohibit or suspend the Merger.
